CIBIK'S TOP PICKS 2023

2022 winning flavor The Ultimate Banana Bread: Carefully curated and delicious. Banana, graham crackers, honey and walnuts whipped with vanilla frozen custard. Homemade and hand mixed to order. Created by Veronica Corsillo.

I Love My Brownies Sundae: We start with Cibik's homemade craft I Love Lucy, a light red raspberry with dark chocolate on top of a fudge brownie. Then we add sweet red raspberry and hot fudge topped with whipped cream and a maraschino cherry. Go Brownies!

Heathaze Parfait: Our Genesis tribute. We suggest you listen to this majestic 1980 masterpiece written by Tony Banks on the Duke album. So perfect and sweet. Vanilla and chocolate frozen custard with layers of caramel and heath bar topped with whipped cream.

Shock the Monkey: Peter Gabriel declares that the tune is a love song that examines how jealousy can release one's basic instincts. Fresh banana, peanut butter and vanilla frozen custard whipped into a truly spectacular dessert. Gabriel is considered one of Rocks most ambitious, innovative, and talented musicians.

The E.T. Sundae (Elaine Cibik's Treat): Elaine was so inspired by the Steven Spielberg film back in 1982 she created a tribute sundae to our extra-terrestrial friend from outer space. Vanilla frozen custard topped with peanut butter sauce, hot fudge and E.T.'s favorite candy Reece's Pieces. Spielberg was 34 years old when he made the film and has grossed about \$800,000,000.

Mississippi Mud Pie: Vanilla frozen custard sandwiched between OREO crumbs and hot fudge topped with whipped cream. Add some red raspberry or caramel if you like. One of our favorite Dairy Island desserts.

2019 winning flavor Chocolate Rice Krispie Treat: Rice Krispies, marshmallow and chocolate chips. Curated by Sydney Corcoran.

2018 winning flavor Chagrin S'Mores: Fudge, caramel, graham crackers and marshmallows. Ella Laneve's summer sensation.

2017 winning flavor Take Me Out to the Ballgame: Cracker Jax, peanuts and fudge. Mia Conti's grand slam dessert.

For Hot Fudge Lovers

The Turtle Sundae: Creamy hot fudge, rich caramel, and buttered pecans on top of a mountain of Cibik's Vanilla Frozen Custard. Add whipped cream and a maraschino cherry and you have Cibik's most popular sundae for the past 48 years. A Classic!

The Hot Fudge Fantasy: Founder Rich Cibik's classic. Fresh banana with chocolate and vanilla frozen custard, lots of hot fudge and buttered pecans, whipped cream and cherry all in the traditional banana boat. A great dessert to share.

For Rock and Roll Enthusiasts

Pretzel Logic Parfait: Created exclusively for our Steely Dan fans, this parfait sundae is almost as good as the 1974 song. 3 layers of vanilla and chocolate frozen custard, rich caramel sauce with salty pretzels. Topped with whipped cream and a pretzel garnish. Steely Dan was inducted into the Rock and Roll Hall of Fame in 2001 and has sold over 40 million albums.

Purple Haze Parfait: 3 layers of black raspberry and dark chocolate flakes. The Rock and Roll Hall of Fame describes Jimi Hendrix as arguably the greatest instrumentalist in the history of Rock music. Any requests?

For Frozen Custard Fans

Our Frozen Custard Cups are homemade, individually hand crafted and made to order each and every time in a 12 oz. Cup

Hawaiian Noises Frozen Custard: Shredded coconut, pineapple, and dark chocolate flakes whipped into vanilla frozen custard. From the 1985 song Money For Nothing by Dire Straits. Banging on the bongos like a chimpanzee. That ain't workin'

Cereal Killer: Lucky Charms, Capt. Crunch, Fruit Loops and Cookie Dough blended into vanilla frozen custard.

Lemon: Fresh squeezed lemon melded into vanilla frozen custard. Tart and sweet. Smooth and simple. A great summer treat.

Cherry Pie: Cherry sauce and graham crackers cut into vanilla. Our Sade Adu tribute. One of Britain's most successful female artists ever.

Franks & Beans: Rick Cibik's detestable flavor ignites protests in the Dairy World. "Baked beans and day old wieners just don't mix well with frozen custard". "Your Taste buds don't know what to think". Due to very low sales Dairy Island R&D came up with an alternative. Gummy hot dogs and jelly beans mixed with vanilla custard. It didn't help sales. A little satire to help us get through the day.

For Hard Ice Cream Aficionados

Our super premium homemade hard ice creams are made right here at Cibik's Dairy Island. We start with 15% butterfat cream and add 100% pure bourbon vanilla extract and the finest ingredients available. A great alternative to our popular soft serve and just might be the best you've ever tasted.

Butter Pecan: Butterscotch and generous amounts of buttered pecans from Hillson Nuts in Cleveland. We're very proud of this one.

I Love Lucy: Light red raspberry and dark chocolate bits. Remember the chocolate factory episode? Ricky Ricardo would have loved this.

Lemon Bar: Lemon and graham crackers. Smooth, simple, and delicious.

Superman: If you're a kid at heart, this is what you'll be eating tonight. Cherry, lemon and blue moon ice cream. Colorful and sweet.

Rocky Road: Dark chocolate bits, mini marshmallows and walnuts in dark chocolate ice cream. Mom's favorite.

Strawberry: Good old fashioned strawberry ice cream just like you remember.

Cookies & Cream: Lots of OREOS churned with the cream. Our number one selling hard ice cream.

Mint Chocolate Chip: Chocolate chips, chocolate flakes and mint. This ice cream is spectacular.

Vegan Dark Chocolate: Coconut milk vs dairy, with dark chocolate. Just might be our best ice cream (if you like coconut that is).

Dark Chocolate Raspberry: Dark Chocolate ice cream with red raspberry swirls and chocolate bits. You'll truly enjoy this ice cream.

For Peanut Butter Fanatics

Peanut Butter Blast: One of our CREATE your own ICE CREAM contest winners. We mix peanut butter sauce and Nutter Butter cookies into our vanilla frozen custard to create a unique and delicious soft serve in a 12 oz. Cup. Very tasty!

Peanut Butter Banana Specialty Shake: Our shakes are awesome, hand mixed, creamy and delicious. Peanut butter sauce, fresh banana, milk and vanilla frozen custard and you are on your way to sweet dreams. Oh ya!

For Coconut Lovers

Hawaiian Noises Shake: Pineapple, shredded coconut, and dark chocolate pieces blended into vanilla frozen custard.

Pina Colada Sundae: Pineapple Dole Whip (just like at Disneyland) topped with shredded coconut and honey. A vegan treat.

Coconut Malt: Malt powder (think Whoppers) and shredded coconut mixed with our vanilla custard. Creamy and delicious.

Honolulu Luau Parfait: Layers of vanilla & chocolate custard with pineapple and shredded coconut.

For Chocolate Fiends

Cookies & Cream Specialty Shake: OREO cookies mixed with vanilla frozen custard. Hand mixed the old fashioned way.

Tin Roof Sundae: Rich chocolate sauce and Spanish peanuts covering vanilla frozen custard. This sundae was created by Pinky Thayer in 1916 in Potter Nebraska. Sweet chocolate mixed with the salty peanuts makes for a great ice cream dessert.

Chocolate Covered Strawberries Sundae: Vanilla frozen custard topped with lots of strawberries covered with chocolate.

Chocolate cone dipped in chocolate: Good old fashioned chocolate custard cone magically dipped into chocolate.

The Dream Cone: A flashback from the 80's, this dessert in a waffle cone is sure to please. Chocolate sauce and crushed nuts inside the cone filled with vanilla custard topped with chocolate sprinkles and a cherry. Think Drumstick.

Old Fashioned Chocolate Soda: Chocolate sauce mixed into Seltzer water (Chocolate Pop). The "Soda Jerk" adds custard and enjoy!
